Novena	54, 162, 166, 167, 851, 980
Toa Payoh	157

Driver's info

There are two gateways to Mount Alvernia Hospital:

1) Thomson Road (entry and exit)

If driving along Thomson Road heading south towards the city, the hospital is located on your left, just after the junction of Thomson Road and Braddell Road.

If driving along Lornie Road heading north towards Sembawang, keep left and exit at MacRitchie Reservoir in the direction of Braddell Road, then keep right and make a U-turn at the junction of Lornie Road and Thomson Road.

2) Marymount Road (entry only)

If driving along Thomson Road heading north, continue towards Marymount Road and look out for the hospital entrance on your left.

If you miss this entrance, continue onwards and turn left on to Marymount Lane. Keep to the left lane, then turn left on to Thomson Road to access the Thomson Road entrance instead.

Parking

- Hourly parking is available.
- Valet parking (inclusive of parking fee) is available from 8.30am to 2pm, Mon to Sat (excluding Sun and Public Holidays).
- For inpatients, whole day concessionary parking is available.
